Re: Coakley Landfill Superfund Site, North Hampton, NH
Notice of Failure to Respond to Request for Information

Dear Attorney Williamson:

This letter is in response to your letters of December 4, 1989 addressed to Selectmen's Office, North Hampton Town Offices and Manager, North Hampton Library. As you know from our recent phone conversation, the Town of North Hampton Selectmen received a Request for Information, identical to the one enclosed in your December 4, 1989 letter, in October of 1987. The selectmen mailed their response to you by transmittal letter dated December 11, 1987, a copy of which is enclosed.

The North Hampton Public Library did receive an information request dated August 2, 1988; however because the library had no additional information to report, we responded by letter of August 30, 1988 to Mr. Jeremy Firestone, a copy of which is enclosed.

While I have not compared word for word the Request for Information enclosed in your December 4, 1989 letters with the Request for Information the Town received in 1987 and 1988, they appear to be identical with the exception that the Request for Information enclosed in your December 4, 1989 letters are undated.

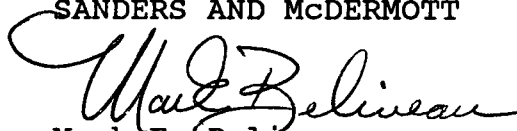

If you find that you cannot locate the information we sent to you in 1987, I would be happy to forward additional copies to you upon your request.

Timothy L. Williamson, Esq.

Thank you for your cooperation.

Very truly yours,
